HELP PREVENT SMOG WHILE COLORING SCOOTER!

HI! MY NAME IS SCOOTER.

We're here to teach you about the Sacramento region's Spare The Air program. Poor air quality can affect your health, and even your pet's health, but there are things you can do to help us clean our air! Use this activity book to find ways you can reduce air pollution and make a big difference in your community. Visit my website at AQMDscooter.com for more fun games and Spare The Air tips!

CAN YOU FIND THE DIFFERENCES IN THESE TWO PICTURES?

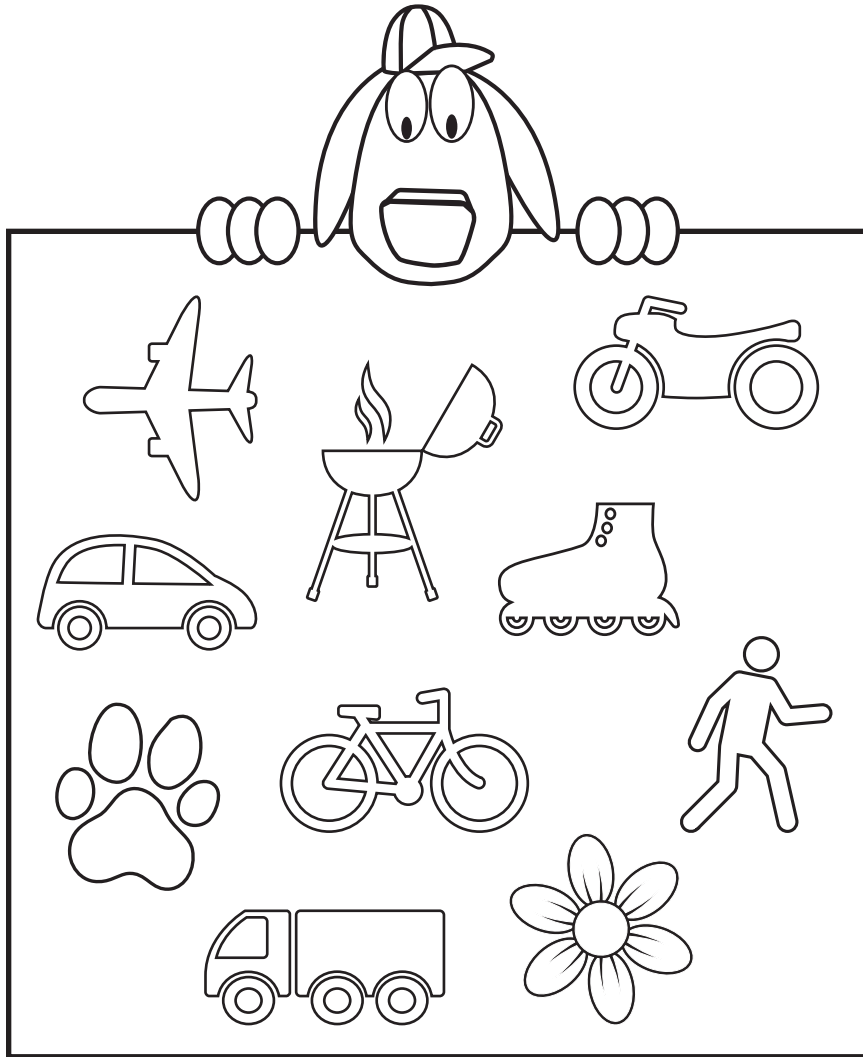

Circle all 10 differences

I love doing my part to help improve the air we breathe. You can help too! Look at the two pictures on this page and circle the differences on the picture to the right. Together we can Spare The Air and make a big difference in our community!

Answers: kite has different pattern, Scooter missing hat, boy's scooter is black, girl with missing star on shirt, sun missing rays, cloud has moved, helicopter facing opposite direction, girl on swing missing, bird facing opposite direction, tree in middle changed.

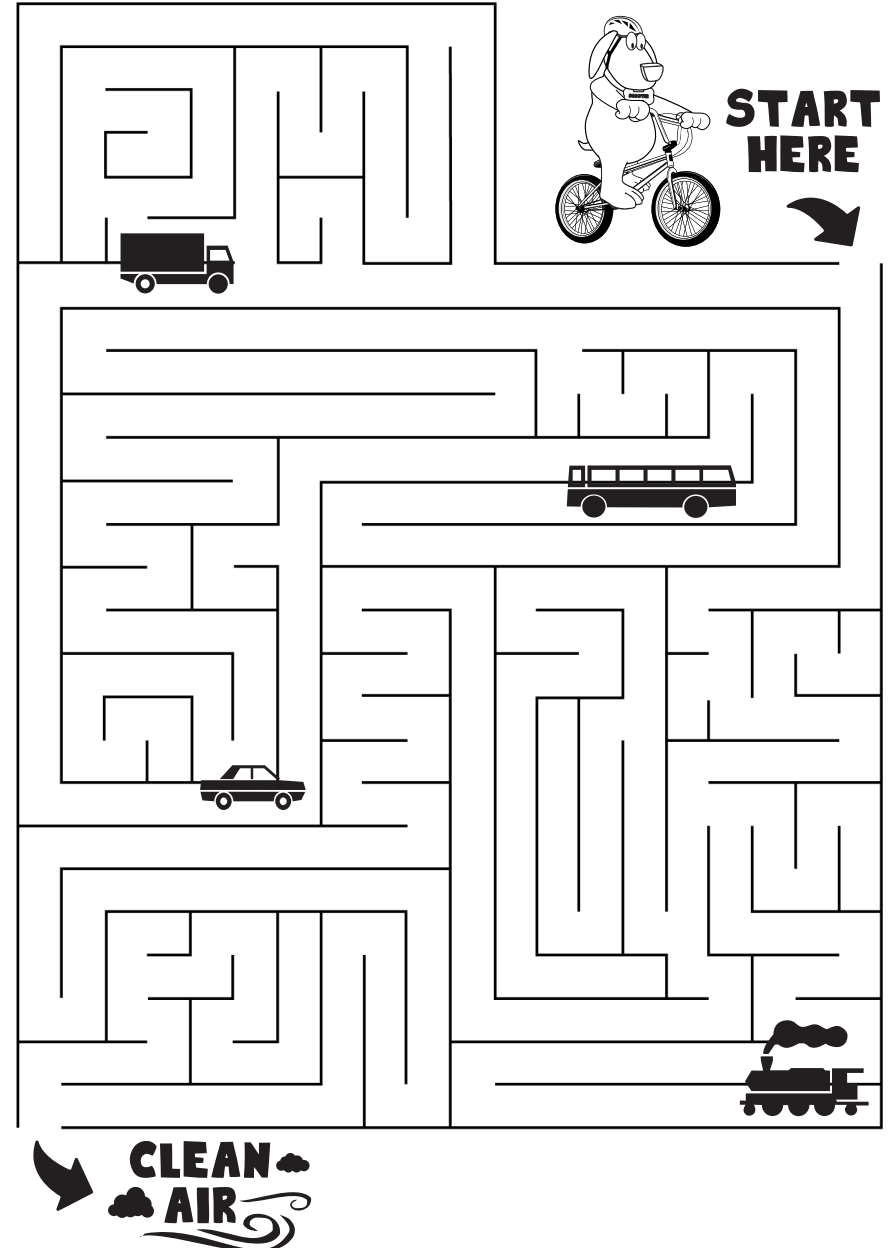

DO YOU KNOW WHERE AIR POLLUTION COMES FROM?

Air pollution comes from many sources. Color in the items below that you think cause **AIR POLLUTION**.

Answers: car, barbecue, airplane, motorcycle, truck.

Can you help Scooter find his way through the **SMOGGY HAZE MAZE** to clean air?

HELP SCOOTER FIND THE HIDDEN WORDS

All words can be found horizontally and vertically.
HINT They all have something to do with air pollution!

CLEAN AIR IS UP TO US!

THINGS YOUR FAMILY CAN DO TO SPARE THE AIR!

Walk, bike, or carpool to school and after school activities

Take the bus or other regional transit (with a trusted adult)

Ask your family to drive less on a Spare The Air day

Pick toys that don't have extra packaging to reduce waste

Remind grown-ups to properly inflate their car tires to reduce vehicle emissions

Encourage your family to buy locally grown fruits and vegetables (they travel less!)

Plant a tree to help clean the air (they release oxygen!)
